ANNUAL GREEN CARD QUESTIONNAIRE

What is the reason for you requesting an annual green card?

1. How many times do you expect to travel to Europe during the year and what will be the average duration of your visits?

2. What will be the longest single period you will be in Europe?

4. Will your car continue to be registered and taxed in the UK?

5. Do you have use of a second home in Europe, if so where is it?

6. Will your car ever be left in Europe whilst you return to the UK, if so where and how will it be secured?

7. Do you appreciate that you have selected an annual mileage limit ofmiles. The provision of an annual green card does not increase this limit and if it is exceeded, your policy will not operate.
